

9th Annual Medicine Wheel Planting

Be-Da-Bin Behavioral Health

Please Come and Help!

Plant one of our two medicine wheels. One medicine wheel is located at our Tribal clinic and the other wheel is located at the Administration building. These medicine wheels will help represent our Tribe, as well as our culture. We will meet at the Administration building (1762 US 31) on the 27th of May at Noon. We will have lunch then share teachings of the medicine wheel. At 2ish will begin planting and wrap -up at 5pm at the Clinic.
